**Bring the Real Exam
Hall to Your Classroom
—Anywhere, Anytime**

World-Class Exam Simulation.
Unmatched Fairness. For Every
Institution.

Are your students truly prepared for the real exam hall?

Every year, millions of students practice for high-stakes exams. But most never experience the real pressure, discipline, or fairness of the actual test. Manual exam management is stressful, error-prone, and expensive.

✓ It's time for a change.

QCBT brings the real exam hall to you DIGITALLY.

-  Simulate real exam conditions.
-  Ensure strict proctoring
-  Deliver instant, transparent results.

Whether you're a single tutor or a global institution, QCBT empowers you to set a new benchmark in exam integrity and student success.

Key Benefits

-  Real Exam Simulation
-  AI Proctoring & Zero Cheating
-  Randomized Question Papers
-  Instant Results & Analytics
-  Affordable, Pay-as-You-Go
-  Online & Offline Modes

Features

Exam & Question Management
